## Frontline Categories

Journalists have continued to work tirelessly from the front lines to provide coverage of the unprecedented and historical events impacting our society in this new year. Due to the bravery of these journalists and the timeliness of this important coverage, AWMF is adding the following categories specifically dedicated to January 2021 Frontline Special Reports for on-air talent and programming.

### National:

<b>60 Frontline – Special Report [TV – National]</b>	This award honors outstanding coverage by a news outlet covering breaking news/special reports that impact national affairs. Content must have aired January 2021 relating to current historical events.
<b>61 Frontline – Reporter/Correspondent [TV – National]</b>	This award honors outstanding work by a reporter/correspondent covering breaking news/special reports that impact national affairs in a way that is engaging and connects with viewers. Content must have aired January 2021 relating to current historical events.
<b>70 Frontline – Special Report [Radio - National]</b>	This award honors outstanding coverage by a radio station covering breaking news/special reports that impact national affairs. Content must have aired January 2021 relating to current historical events.
