

## Behind Every Great Woman is a Great Organization

The Alliance for Women in Media is an organization for women and their supporters. We are committed to supporting them across all media segments, to expand networks, educate, and celebrate accomplishments.

Through recognition events and professional development, our purpose is to bring talented, dedicated, established, and up-and-coming women and men in media together. Our members benefit from shared ideas and experiences and receive access to professional training and the acknowledgement they deserve.
